MEMORANDUM FOR: Mr. [REDACTED]

SUBJECT: Countermeasures Subcommittees Chairmanship

The agreement with DIA regarding the subcommittees chairmanship is as follows:

DIA prefers rotating chairmanships of the two Countermeasures Subcommittees, therefore, was unwilling to have the chairmanships designated in the letter to Mr. Bundy. We agreed to drop these points out of the letter, but clearly informed DIA that we preferred permanent chairmanships. We are both agreed that the Director should name CIA to chair the Research Subcommittee and State to chair the ~~State~~ ^{other} one. DIA hopes ~~that~~ sometime in the future to raise the question again of these designations. We were perfectly willing to defer consideration of this point in the interests of getting agreement on the major principles.
